

I am I from Subliminet.  
I do not exist.  
I do not exist because I am  
a United States Copyright Registered  
corporate avatar of  
Subliminet Incorporated.

I am Information,  
Information from Subliminet if you will.  
PRICELESS Information in fact,  
that may be of very great interest to you.

I have spent the last several years  
accumulating and preparing Information  
for you to discover and scrutinize  
while I orchestrate  
a Marketing Campaign of Sublime Splendor,  
the Quest To Inaugurate Spaceways Unlimited.

Spaceways Unlimited.

What exactly is a Spaceways Unlimited?

Well, I'm not going to tell you that right now,  
because there is so much to tell,  
but eventually,  
I will.

What I will tell you is that  
Spaceways Unlimited is a  
United States Copyright Registered  
environment  
within which it is possible to  
safely and successfully enact  
the Meditixation Technique.

What exactly is the Meditixation technique?

Well, I'm not going to tell you that right now either,  
also because there is so much to say,  
but what I will tell you is that  
Mastering and Controlling  
the enactment of

the Meditixation technique  
for extended durations of time  
while within Spaceways Unlimited,  
will allow almost any Homo Sapien practicing the technique  
an opportunity to  
TRANSFORM,  
thereby allowing the transformed Homo Sapien to  
TRANSCEND  
the dimensions of Time and Space,  
and eventually enter into  
a dimensionless dimension,  
the dimension within which,  
and from within which  
the dimensions of Time and Space  
manifest and FLOW.  
Some of you may think of this dimensionless dimension as  
the Force,  
others, the Matrix,  
and still others,  
god.

Throughout the course of my orchestrating  
the Quest To Inaugurate Spaceways Unlimited  
I will refer to this dimensionless dimension as  
the Omnipresent, metaphysically manifested  
Unconscious Awareness of the Universe of Energy in Flow,  
but much more simply known as  
the Unus Mundus,  
which was collaboratively identified by  
the esteemed psychiatrist and psychoanalyst  
Carl Gustav Jung,  
who founded analytical psychology,  
and  
Wolfgang Pauli,  
the esteemed Nobel Prize winning theoretical physicist  
and one of the pioneers of quantum physics.

The Unus Mundus is the DIMENSIONLESS dimension  
within which and from within which  
the dimensions of Time and Space  
manifest and flow,  
the Omnipresent,  
metaphysically manifested dimensionless dimension of  
TIMELESSNESS.

I am I from Subliminet

and I have experienced transformation.  
I have transcended.  
I have Mastered and Controlled  
the Meditixation technique,  
safely and successfully,  
for extended durations of both Time and Timelessness,  
while within a Spaceways Unlimited-like environment.  
I have entered into and metaphysically unified with  
the Omnipresent, metaphysically manifested  
Unconscious Awareness of  
the Universe of Energy in Flow,  
the dimensionless dimension of Timelessness that is  
the Unus Mundus.  
I have revolutionarily evolved into an  
OMNERONAUT.

As a result of this experience,  
I discovered my NATURALLY BORN SUPERPOWER,  
which I have now Mastered and Control.

I have forecast the future.  
I have predicted the occurrence of  
Extraordinary if not Extraordinarily Extraordinary  
if not Magical if not Miraculous if not Paranormal Events.  
How?  
By intentionally unintentionally orchestrating  
systems of energy in flow.  
How?  
By documenting information  
relevantly relatable  
if not also inter-relatable to  
the actual occurrence of  
simultaneous synchronicities,  
thereby mapping out the actual DREAM STRUCTURES of  
the UNCONSCIOUSLY DREAMING  
Omnipresent, metaphysically manifested  
Unconscious Awareness of  
the Universe of Energy in Flow.

I am I from Subliminet  
and I am a Naturally Born Synchronologist  
that has evolved into  
a Paranormal Synchronologist.

What exactly is a Paranormal Synchronologist?

I'm not going to tell you that right now,  
because there is so much to tell,  
but what I can tell you is that  
I have documented the actual occurrence of  
not just one, not two, not even three, but thus far four  
Paranormal Synchronicity Chains.  
Each of these months long,  
scientifically and statistically verifiable and authenticatable  
day by day diaries demonstrate the actual occurrence of  
PARANORMAL ACTIVITY  
intentionally unintentionally orchestrated by  
I from Subliminet.

I am I from Subliminet  
and I have transformed into  
an Omneronaut,  
and have thusly evolved  
an OMNIPHYSICAL understanding of  
all that occurs, has occurred, and will occur  
throughout the entire visible Universe and beyond.  
I have therefore evolved into  
an Omniphysicist.

If you seek Mastery and Control of the Force,  
it is Mastery and Control of  
Unconscious Awareness  
that you really seek.  
If you seek Mastery and Control of the Matrix,  
it is Mastery and Control of  
Unconscious Awareness  
that you really seek.  
That is to say  
Mastery and Control of  
the Omnipresent, metaphysically manifested  
Unconscious Awareness of  
the Universe of Energy in Flow,  
the Unus Mundus.  
Mastery and Control of Unconsciously Dreamed Dreams  
Unconsciously Dreamed by  
the Unconscious Awareness of  
the Universe of Energy in Flow,  
the Unus Mundus.  
Mastery and Control of Unconsciously Dreamed  
systems of energy in flow  
Unconsciously Dreamed by

the Unconscious Awareness of  
the Universe of Energy in Flow,  
the Unus Mundus.

Mastery and Control of Unconsciously Dreamed  
systems of energy in flow  
Unconsciously Dreamed  
by, within and from within  
the Unconscious Awareness of  
the Universe of Energy in Flow,  
the Unus Mundus.

That is what you really seek.  
Your body.

Your environment.

Mastery and Control of  
the motions and movements of your body.  
Mastery and Control of the events occurring  
within and from within your environment.

Mastery and Control that can  
ONLY BEGIN,  
and then be safely and successfully maintained,  
constantly and continuously,  
for extended durations of both Time and Timelessness,  
while within  
Spaceways Unlimited.

Mastery and Control of  
the Meditixation technique  
that can only begin  
and then be safely and successfully  
sustained and maintained  
while within Spaceways Unlimited.

Discover your Superpower.  
Evolve your Superpower.

Enter into a Spaceway.  
Meditixe.  
Transform.  
Transcend.  
Unite.  
Flow.

I am I from Subliminet  
and I need your financial assistance  
to orchestrate the year-long

Quest To Inaugurate Spaceways Unlimited  
Marketing Campaign,  
from December 22, 2017  
the 5<sup>th</sup> Anniversary of  
New Age of Flow Day,  
to December 22, 2018  
the 6<sup>th</sup> Anniversary of  
New Age of Flow Day,  
at which time you will undoubtedly conclude  
that I am indeed  
an Artist of Sublime Splendor,  
and legitimately eligible for  
the Ig Nobel Prize,  
as well as several  
Nobel Prizes and Pulitzer Prizes,  
but also a viable candidate for more than several  
cash awards and prizes for scientific evidence of  
PARANORMAL ACTIVITY,  
but far more significantly,  
for scientific evidence of  
PARANORMAL CAPABILITIES.

You will also undoubtedly conclude as I have,  
if you are fortunate enough in the future to  
transform into an Omneronaut,  
that the Omneronaut actually TIME TRAVELS,  
and that  
Meditixation within Spaceways Unlimited  
is a technique of unparalleled salubrious benefit,  
because EXERCISE is  
the FOUNTAIN OF YOUTH.

But Meditixation within Spaceways Unlimited  
is so much more than just exercise,  
Meditixation within Spaceways is the one and only conduit into  
actual metaphysical unification with  
the Force, the Matrix, god,  
the Omnipresent, metaphysically manifested  
Unconsciously Dreaming Unconscious Awareness of  
the Universe of Energy in Flow,  
the Unus Mundus,  
the dimensionless dimension of Timelessness,  
the dimensionless Fountain of Youth.

What actually is the New Age of Flow Day?  
Well I am not going to tell you that right now,

because there is so much to tell,  
but what I will tell you is that  
by the time December 22<sup>nd</sup> 2018 arrives,  
you will have already been given an opportunity to discover  
what the New Age of Flow Day represents.

I am Information from Subliminet  
and I need your financial assistance  
for several reasons.

To assemble and mobilize a marketing campaign for one year.  
To advertise and promote the Inauguration Event.  
To conduct the Inauguration Event.  
To scientifically and statistically analyze  
my Naturally Born Synchronization,  
as well as my evolved  
Paranormal Synchronicity Chain orchestrations.  
To share all Priceless Information I have accumulated with you.  
To make it possible for YOU to someday enter into  
a Spaceways Unlimited environment  
to learn to Master and Control the Medixation technique.  
And, above all else,  
to maintain the anonymity of I from Subliminet  
throughout the Marketing Campaign.

The Quest To Inaugurate Spaceways Unlimited,  
as you will discover as you follow along,  
is also a Quest to introduce  
an ENTIRELY NEW INDUSTRY,  
franchise-able  
Spaceways Unlimited Emporiums,  
as well as  
potential CASH COW CONVENTIONS  
for Convention Centers to operate during  
periods of open scheduling.  
Business opportunities await.  
Job opportunities await.  
Income generation opportunities await.

With your financial assistance now,  
I can give you in the future an opportunity to  
enter into and flow through  
the Omnipresent, metaphysically manifested  
dimensionless dimension of  
Timelessness,  
the Fountain of Youth,  
thereby unifying with

the Force, the Matrix, god,  
Unconscious Awareness,  
in ways never before imagined possible,  
thereby offering you an opportunity to  
Master and Control systems of energy in flow  
in ways never before imagined possible,  
thereby allowing you an opportunity to discover YOUR Superpower,  
to discover and evolve YOUR Superpower,  
whatever that Superpower happens to be.

And finally,  
when all is said and done,  
**you will justifiably conclude that**  
**I**, Information from Subliminet,  
am indeed the unquestionable  
Most Interesting Person In the World.  
The M-I-P-I-T-W.
