

I am I from Subliminet.
I do not exist.
I do not exist because I am
a United States Copyright Registered
corporate avatar of
Subliminet Incorporated.

I am Information,
Information from Subliminet if you will.
PRICELESS Information in fact,
that may be of very great interest to you.

I ask now for your financial assistance
so that I might present you with an opportunity to experience
a Marketing Campaign of Sublime Splendor.

I am Information from Subliminet
and I need your financial assistance to
assemble and mobilize a Marketing Campaign Team for one year,
advertise and promote an Inauguration Event for one year,
conduct a 288 consecutive hour Inauguration Event
to introduce
an ENTIRELY NEW FRANCHISE INDUSTRY
that has the potential to
grow exponentially,
generate income exponentially,
create jobs exponentially,
but far more significantly,
change lives exponentially.

I have developed a multi-faceted
Marketing Campaign of Sublime Splendor
designed to be conducted
from December 22, 2017,
the 5th Anniversary of
New Age of Flow Day,
to December 22, 2018,
the 6th Anniversary of
New Age of Flow Day.

What exactly is the New Age of Flow Day?
I am not going to tell you that right now,
because there is so much to say,
but what I will tell you is that
by the time 122218 arrives,
you will have already been given an opportunity to discover

what the New Age of Flow Day represents.

What exactly is the Inauguration Event?
I am not going to tell you that right now,
because there is so much to say,
but what I will tell you is that
the Marketing Campaign of Sublime Splendor
can actually be thought of as a QUEST,
a Quest To Inaugurate Spaceways Unlimited.

What exactly is a Spaceways Unlimited?

I'm not going to tell you that right now,
because there is so much to tell,
but eventually,
I will.

What I will tell you is that
Spaceways Unlimited is a
United States Copyright Registered
environment
within which it is possible to
safely and successfully enact
the Meditixation Technique.

What exactly is the Meditixation technique?

I am not going to tell you that right now either,
also because there is so much to say,
but what I will tell you is that
Mastering and Controlling
the enactment of
the Meditixation technique
for extended durations of time
while within Spaceways Unlimited,
will allow almost any Homo Sapien practicing the technique
an opportunity to
TRANSFORM,
thereby allowing the transformed Homo Sapien to
TRANSCEND
the dimensions of Time and Space,
and actually enter into
a dimensionless dimension,
the dimension within which,
and from within which
the dimensions of Time and Space

manifest and FLOW.
Some of you may think of this dimensionless dimension as
the Force,
others, the Matrix,
and still others,
god.

Throughout the course of my orchestrating
the Quest To Inaugurate Spaceways Unlimited
I will refer to this dimensionless dimension as
the Omnipresent, metaphysically manifested
Unconscious Awareness of the Universe of Energy in Flow,
but much more simply known as
the Unus Mundus,
which was collaboratively identified by
the esteemed psychiatrist and psychoanalyst
Carl Gustav Jung,
who founded analytical psychology,
and
Wolfgang Pauli,
the esteemed Nobel Prize winning theoretical physicist
and one of the pioneers of quantum physics.

The Unus Mundus is the DIMENSIONLESS dimension
within which and from within which
the dimensions of Time and Space
manifest and flow,
the Omnipresent,
metaphysically manifested dimension of
TIMELESSNESS.

I am I from Subliminet
and I have experienced transformation.
I have transcended.
I have Mastered and Controlled
the Meditixation technique,
safely and successfully,
for extended durations of both Time and Timelessness,
while within a Spaceways Unlimited-like environment.
I have entered into and metaphysically unified with
the Omnipresent, metaphysically manifested
Unconscious Awareness of
the Universe of Energy in Flow,
the dimensionless dimension of Timelessness that is
the Unus Mundus.
I have revolutionarily evolved into an

OMNERONAUT.

As a result of this experience,
I discovered my NATURALLY BORN SUPERPOWER,
which I have now Mastered and Control.

I have forecast the future.
I have predicted the occurrence of
Extraordinary if not Extraordinarily Extraordinary
if not Magical if not Miraculous if not Paranormal Events.

How?

By intentionally unintentionally manipulating
systems of energy in flow.

How?

By documenting information
relevantly relatable
if not also inter-relatable to
the actual occurrence of
simultaneous synchronicities,
thereby mapping out the actual DREAM STRUCTURES of
the UNCONSCIOUSLY DREAMING
Omnipresent, metaphysically manifested
Unconscious Awareness of
the Universe of Energy in Flow.

I am I from Subliminet
and I am a Naturally Born Synchronologist
that has evolved into
a Paranormal Synchronologist.

What is a Paranormal Synchronologist?

I'm not going to tell you that right now,
because there is so much to tell,
but what I can tell you is that
I have documented the actual occurrence of
not just one, not two, not even three, but thus far four
Paranormal Synchronicity Chains.

Each of these months long,
scientifically and statistically verifiable and authenticatable diaries demonstrate the actual
occurrence of

PARANORMAL ACTIVITY
intentionally unintentionally orchestrated by your host
I from Subliminet.

I am I from Subliminet

and I have transformed into
an Omneronaut,
and have thusly evolved
an OMNIPHYSICAL understanding of
all that occurs, has occurred, and will occur
throughout the visible Universe and beyond.
I have therefore evolved into
an Omniphysicist.

If you seek Mastery and Control of the Force,
it is Mastery and Control of
Unconscious Awareness
that you really seek.

If you seek Mastery and Control of the Matrix,
it is Mastery and Control of
Unconscious Awareness
that you really seek.

Mastery and Control of
the Omnipresent, metaphysically manifested
Unconscious Awareness of
the Universe of Energy in Flow,
the Unus Mundus.

Mastery and Control of Unconsciously Dreamed Dreams.

Mastery and Control of Unconsciously Dreamed
systems of energy in flow.

That is what you really seek.

Your body.

Your environment.

Mastery and Control of
the motions and movements of your body.

Mastery and Control of the events occurring
from within your environment.

Mastery and Control that can

ONLY BEGIN,

and then be safely and successfully maintained,
constantly and continuously,
for extended durations of both Time and Timelessness,
while within
Spaceways Unlimited.

Mastery and Control of
the Meditixation technique
while within Spaceways Unlimited.

Discover your Superpower.

Evolve your Superpower.

Enter into a Spaceway.

Meditixe.

Transform.

Transcend.

Unite.

Flow.

From December 11, 2018 to December 22, 2018

I currently envision

a 288 consecutive hour Event

capable of accommodating up to 200 Homo Sapiens each hour

for a total of up to 48,000 opportunities

to Meditixe.

48,000 UNIQUE opportunities?

One or two consecutive, uninterrupted hours

may not be enough time

for a Homo Sapien to actually

Master and Control Meditixation,

transform into an Omneronaut,

transcend the dimensions of Time and Space

and metaphysically unify with

the Unconscious Awareness of

the Universe of Energy in Flow,

the Unus Mundus,

the Force,

the Matrix,

god.

To provide such an opportunity,

would require the reservation of Event space,

in an Event Facility such as a Convention Center.

Hundreds of thousands of square feet.

Up to 48,000 rentable time segments could be made available

in a uniquely designed Spaceway,

with up to 9600 available one hour segments free of charge,

the first and last days of the Event.

At just \$25 per hour per rented Spaceway,

the potential income could reach

1.2 million

for a 12 day Event.

At \$25 per hour

the 9600 hours could have earned

another \$240,000, or \$120,000 per day.

Only 60% lighting would be necessary.
50% air conditioning.

Once the environment is set in place,
minimal maintenance is required.

Set it and forget it.

The Spaceway environment is constructed with
rentable and reusable materials.

Initial costs of the environmental materials are expensive
but the durable and useful life of these materials
depreciate over time frames longer than 3 years.

It should be noted that
enough material might very well have already been manufactured
and is standing by waiting to be reserved.

I envision income from rented space
throughout the remaining areas of the Convention Center
during the 12-day event.

Income from Merchants from
relevant industries such as

Exercise,
Meditation,
Running,
Walking,
New Age.

I envision income from
food vending and coat check/baggage storage services.

I envision the creation of marketable artifacts
available to the highest bidder from
the 288 hour Spaceways Unlimited Inauguration Event.

During the one year Sublimely Splendid Marketing Campaign

I envision the generation of interest
from a multitude of points of view including
but not necessarily limited to

Science.
Science Fiction.
Physics.
Metaphysics.
Philosophy.
Theology.
New Age.
Parapsychology.
Art.
Business.

Health and Wellness.

Exercise.

Meditation.

Sports.

Baseball.

Music.

I envision the generation of income
from a multitude of sources including
but not necessarily limited to
internet marketing,
membership fees,
pre-sale of
a United States Copyright Registered
GUIDEBOOK
detailing a single journey through
a Spaceways Unlimited environment
for an extended duration of not just Time,
but Timelessness as well,
whereby by a
transformed AND transcended
Homo Sapien,
an Omneronaut,
having Mastered and Controlled
the Meditixation technique
within an exclusively designed
Spaceways Unlimited environment
DISCOVERS and ENACTS
a never before enacted SUPERPOWER.

I envision interest and income being generated by
a year-long corporate sponsored
daily/weekly/bimonthly unbiased news reported updates
for cable television/internet presentation.

I envision interest being generated by
the statistical results of the scientific analysis of
the evidence supporting I from Subliminet's conclusion that
I from Subliminet am a Naturally Born Synchronologist,
as well as the evidence supporting I from Subliminet's conclusion that
I from Subliminet am an evolved Paranormal Synchronologist,
more specifically,
the evidence contained within
Paranormal Synchronicity Chains #2, #3, and #4.

I envision a Séance.

Not a pseudoscientific Séance,
but an OMNIPHYSICAL Séance.
An OMNIPHYSICAL Séance where
prospective professional participants of the Séance
including 33 invited individuals:

- (3) Venue Hosts
- (3) Web Master Team
- (2) Counselor and Agent
- (2) Forensic Accountant
- (2) News Reporter and Agent
- (4) Investors
- (2) Costume Designer
- (2) Cable Television Producers
- (2) Environment Constructors
- (2) Promoter
- (4) Network Television Executives
- (2) Statistician

(3) Museum Officers and Board Members
are gathered together to
SUBLIMINALLY and SILENTLY interact with
Information from Subliminet,
and collectively begin to develop an Omniphysical understanding of
the Omnipresent, metaphysically manifested,
Unconscious Awareness of the Universe of Energy in Flow,
As well as a collective Omniphysical understanding of
the Sublimely Splendid
Quest To Inaugurate Spaceways Unlimited
Marketing Campaign.

I envision a Modern Museum of Art
RECREATING
the Sublimely Splendid Subliminal and Silent Séance
and charging admission fees
to a five dollars for five minute showing of
a 5 minute random segment of the Séance
during the one-year long Marketing Campaign.
The Information from Subliminet
which I envision being
RANDOMLY and SUBLIMINALLY transmitted via
a dozen or more television screens
during the Seance
can also be transmitted during
the Modern Museum of Art exhibition,
but much smaller quantities of Information will be experienced

in the 5 minute segment.
The more 5 minute segments
a Homo Sapien subliminally experiences
the more randomly displayed
Information from Subliminet
is experienced.

I envision one day this planet hosting
hundreds if not thousands of Spaceways Emporiums
and Convention Center Exhibitions.

I envision one day
an entire city constructed and dedicated to
the Spaceways Unlimited industry.

I envision this planet one day inhabited by
hundreds if not thousands if not millions of
revolutionarily evolved
Omneronauts.
