

WHAT IS PRICELESS INFORMATION?

Why is Information from Subliminet
Priceless Information?

If you were a News Reporter,
what would you want to know?

What's the Information,
and what makes it so valuable?

Why has an internet publishing company
that shows exactly ZERO sales over the past 9 years,
concluded that
the Information owned by
New York State S Corporation Subliminet Incorporated,
is PRICELESS?

Because
ACTUAL METAPHYSICAL UNIFICATION with
the Omnipresent, metaphysically manifested,
Unconsciously Dreaming Unconscious Awareness of
the Universe of Energy in Flow,
the Unus Mundus,
the Force,
the Fountain of Youth,
god,
for extended durations of both Time and Timeless,
is both SALUBRIOUS and YOUTHENIZING
and allows for the DISCOVERY of a unique Superpower
that may or may not actually evolve into
Mastery and Control of systems of energy in flow
in ways never before imagined possible,
is ABSOLUTELY Priceless.

Priceless Information from Subliminet
begins and ends with
Theory of Omniphysics.
Understanding Omniphysics
cannot be enhanced,
cannot evolve into Absolutely Priceless value
without actual transformation into
an Omneronaut.
Subliminet's United States Copyright owned
Spaceways Unlimited
is the ONLY CONDUIT through which it is possible
to safely and successfully,
constantly and continuously,

uninterruptedly,
for extended durations of both
Time and Timelessness,
enact Subliminet's United States Copyright owned
Meditixation technique
so that
ACTUAL TRANSFORMATION of
the entire system of energy in flow
that is
the dualistically manifested form of
a Homo Sapien that has actually
MASTERED and CONTROLLED
the Meditixation technique
while within Spaceways Unlimited,
into an OMNERONAUT,
ACTUALLY OCCURS,
so that
TRANSCENDENCE OF BOTH TIME AND SPACE
IS ACTUALLY ACHIEVED,
so that
THE OMNERONAUT may actually
METAPHYSICALLY UNIFY with
the Omnipresent, metaphysically manifested
Unconsciously Dreaming Unconscious Awareness of
the Universe of Energy in Flow,
the Unus Mundus,
the Force,
the Fountain of Youth,
god,
for extended durations of both Time and Timeless,
in ways never before imagined possible,
and perhaps even discover a unique Superpower.
What could be more valuable?
What would be more Priceless?
