

From somewhere within the very heart and soul of New York City,  
a native New Yorker moves about unnoticed on Manhattan Island  
at various times of the day and night  
from a current residence somewhere on Long Island.  
This native New Yorker has managed to save just enough personal income  
to pay for this Real News Public Service announcement,  
exclusively here on 1010 Wins.

Today,  
December 22, 2017,  
this Disguised Clandestine  
has launched not one but two  
flowstreams of Priceless Information.  
One stream is presented as a Petition,  
the other, a Quest.  
The Petition is entitled  
William Felt TheClandestine's Petition to Establish  
Eternal Homo Sapien and Robotic Harmony  
and can be found online at Change.org  
while the Quest is entitled  
I from Subliminet's  
Quest To Inaugurate Spaceways Unlimited,  
which can be found on GoFundMe.  
Together they form  
what the Informant of this Priceless Information  
refers to as  
the Sublimely Splendid  
Quest To Inaugurate Spaceways Unlimited  
Marketing Campaign  
brought to you by Subliminet Incorporated.

The Petition combines 7 historical documents  
dealing most especially with fundamental Civil Rights.  
The Petition was prepared in 2 distinct formats.  
The first depicts a gender-neutral perspective of the 7 original versions,  
while the second addresses  
the looming invasive introduction of  
automated machines and Robots  
into Homo Sapien society.

The Quest is intended to be a 1-2 year endeavor  
to raise enough funds to introduce  
an entirely new job-creating, franchise-able industry,  
Meditixation within Spaceways Unlimited,  
that claims to be the only one of its kind capable of  
transforming a practiced and experienced individual

that has Mastered the “Meditixation technique”,  
into an Omneronaut,  
thereby enabling the Omneronaut with an opportunity to  
metaphysically unify with  
an invisible but Omnipresent field of energy,  
that Subliminet has identified as  
the Unus Mundus,  
the Force, of Star Wars fame,  
and even god.  
That’s spelled with a small “g” by the way.

The Marketing Campaign is intended to be a 1-2 year Event  
that Subliminet claims will detail  
the occurrence of Paranormal events  
brought about by the Paranormal capability of the Informant,  
I from Subliminet,  
capabilities I from Subliminet contends are  
a superpower  
that were discovered and Mastered  
as a result of becoming an Omneronaut.

Subliminet is an internet publishing organization  
that was incorporated on August 8, 2008 in New York State  
that is currently seeking the assistance of several individuals,...
