Spaceways Unlimited,  
a new paradigm,  
Omneronautics,  
a new meditation and exercise technique,  
Meditixation,  
a new concept of reality,  
Omniphysics,  
and a new but anonymous personality,  
Michael Sea,  
aka  
I from Subliminet,  
Mortimer Sloane,  
Dunning Kruger,  
Jordan Rivers,  
William Felt,  
and,  
the Most Interesting Person In The World,

The MIPITW is a Naturally Born Synchronologist

and  
an Artist of Sublime Splendor.

actually is,  
the Most Interesting Person In The World,

**Quest To Inaugurate Spaceways Unlimited.**  
QTISU.

## QUEST TO INAUGURATE SPACEWAYS UNLIMITED

### Mission Statement

Your primary Mission is to maintain the ANONYMITY of the MIPITW.

Your Mission is to assist in the task of increasing the market valuation of Subliminet Inc. and generating as much income for yourself in the process as your skills will allow.

You will be assisting in increasing the valuation of **INFORMATION** from Subliminet.

To fulfill your Mission you will need to thoroughly understand your responsibilities during this Sublimely Splendid Quest To Inaugurate Spaceways Unlimited Marketing Campaign.

Each professional participant must draft a proposal stating the total funds necessary to retain your services, or your products and services, for one year.

A one year retainer for your services, or your products and services assisting the MIPITW exponentially increase the value of Information from Subliminet.

A one year one fee retainer for as many hours as is necessary for you to accomplish that which the MIPITW requests in order to maximize the exponentiation of the valuation of Information from Subliminet.

A GoFundMe page will be launched and any other such crowdfunding platform, in order to maximize fund collection resources.

If you are the

Web Master Team  
Forensic Accountant  
Environment Construction Team  
Costume Designer

your proposal will be ANONYMOUSLY displayed  
on each of the crowdfunding websites.

If you are the

Counselor  
News Reporter  
Venue Host  
Statistician

your proposal will be displayed,  
but not anonymously,  
on each of the crowdfunding websites.

If you are the

Investor  
Television/Cable Executive/Producer  
Mass Media Conglomerate Executive

you will be reading and considering the proposals  
drafted by the above-mentioned parties.

First and foremost you need to understand  
that I am a Naturally Born Synchronologist  
that has evolved into  
a Kinaesthesiologist, an Architect,  
an Omniphysicist, an Omneronaut,  
a Paranormal Synchronologist,  
an Entrepreneur,  
and an Artist of Sublime Splendor.

Therefore,

I am

the **Most Interesting Person In The World**,  
the MIPITW.

You need to understand that

I do not suffer from Delusions of Grandeur.

You need to understand that Subliminet Inc.,  
first and foremost,  
is INFORMATION.  
Information from Subliminet.

You need to understand that  
increasing the market valuation of Subliminet Inc.  
does not require your totally familiarizing yourself with  
any of the Information from Subliminet,  
nor does it require your acceptance or your rejection of  
Information from Subliminet.

You need to understand that  
I have mapped out courses of action  
that will generate the most market value possible.

You need to understand that  
I understand that  
it may not be possible  
to accomplish everything I have set out to do.

You need to understand that  
Information from Subliminet will be released in stages,  
over a one year period.

You need to understand that  
I alone currently understand the priceless value of  
Information from Subliminet.

You need to understand that  
maintaining the ANONYMITY of  
Michael Sea, I from Subliminet, the MIPITW,  
throughout the QTISU  
will increase the value of Subliminet Inc.  
EXPONENTIALLY.

You need to understand that  
maintaining the anonymity of  
the MIPITW, Michael Sea, I from Subliminet,  
throughout the QTISU,  
by not collapsing wave functions,  
by not divulging the identity of the MIPITW,  
Information becomes the point of focus,  
not the Informant.

You need to understand that  
it is optimally advisable that I sit down with a statistician  
and statistically evaluate  
the verifiable Information relevantly relatable to  
the MIPITW and to the MIPITW's Paranormal capabilities,  
thereby increasing the value of Subliminet Inc.  
EXPONENTIALLY.

You need to understand that  
assembling a marketing team  
is the first and most crucial step to income generation.  
With enough diversified participants,  
exponential valuation growth  
and income generation  
is maximized.

#### Goals of the QTISU:

Inform as many Homo Sapiens as possible

Scientific analysis and skeptical scrutiny of  
Information from Subliminet  
by peers of the MIPITW,  
the entire adult Homo Sapien population  
inhabiting the surface of this planet,  
and the scientific community

Information from Subliminet,  
including document entitled  
My Confession  
and  
Paranormal Synchronicity Chains #2, #3 and #4

Priceless valuation of all Information from Subliminet

and collect cash awards and prizes for scientific evidence of

Evolution

You need to understand that  
Information from Subliminet is worthless  
unless Information from Subliminet is understood  
within the context of  
Omniphysics.

You need to understand that  
Information from Subliminet is worthless  
unless Information from Subliminet is understood  
within the context of  
Omneronautics  
which is the safe and successful practice of  
Meditixation within Spaceways Unlimited.

You need to understand that  
Omniphysics and Omneronautics  
and Meditixation and Spaceways Unlimited  
and Paranormal Synchronicity Chains  
cannot be understood unless considered within the context of  
the actual existence of  
an Omnipresent, metaphysically manifested  
Unconscious Awareness of a Universe of Energy in Flow.

You need to understand that  
it is not necessary for you to accept or reject whether or not  
Information from Subliminet  
is accurate and verifiably true  
for you to assist in the exponential growth of the valuation of  
Information from Subliminet.  
That will be the responsibility of  
the Statistician.

You need to understand that  
it is necessary for you to follow the instructions of the MIPITW

if QTISU is to realize complete success.

You need to understand that  
some Extraordinary,  
some Extraordinarily Extraordinary,  
some Magically,  
some Miraculously,  
and some Paranormally  
relevant relationships exist  
between the MIPITW  
and each of the prospective participants of QTISU,  
some personal,  
some, organizational.

You need to understand that  
these relevant relationships  
CANNOT BE ERASED FROM  
the MEMORY of  
the Universe of Energy in Flow,  
and that  
these relevant relationships are ETERNAL.

You need to understand that  
you can choose to turn your back on  
Quest To Inaugurate Spaceways Unlimited,  
but you CANNOT choose to eradicate  
the overall degree of Paranormality  
that has relevantly manifested between you and  
the MIPITW.

You need to understand that  
acknowledgement of the existence and functionality of  
the Omnipresent, metaphysically manifested  
Unconscious Awareness of  
the Universe of Energy in Flow,  
the Unus Mundus,  
the Carl Gustav Jung and Wolfgang Pauli  
collaboratively identified  
Unus Mundus,  
is the cornerstone understanding of  
Omniphysics.

You need to understand that  
I am just a regular person,  
no different than anyone else.  
I do work an uneven schedule.

I do work a lot of overtime that translates into two jobs.  
I commute 2 hours to and 2 hours from  
my places of residence and occupation  
at least 5 times a week.

I run errands.

I do chores.

I socialize.

I relax.

I rest.

How is that different than anyone else really?

Ho hum and so what?

Right?

HOWEVER,

This is the FLOWSTREAM  
that optimally enables the MIPITW to  
intentionally unintentionally manipulate  
systems of energy in flow  
in order to maximize  
both the frequency and the intensity of  
SIMULTANEOUS SYNCHRONICITIES.

You need to understand that  
the MIPITW

MUST maintain this flowstream without interruption

You must understand that  
it is my decision and my decision alone to make a fool of myself,  
if it is your conclusion that this Marketing Campaign  
is truly the act of a delusional fool.

If I were to say to you that I could predict the future occurrence of  
simultaneous synchronicities  
that would not be enough to convince you that  
I possess Paranormal capabilities,  
would it?

No, and no it shouldn't,  
Simultaneous Synchronicities occur all the time.

The question is,  
do Simultaneous Synchronicities pass you by  
without your ever noticing?

You need to understand that  
a new digitized app can be created from  
the Framework of  
the Unconsciously Dreamed Dreams of

the Omnipresent, metaphysically manifested  
Unconscious Awareness of  
the Universe of Energy in Flow,  
“Synchronicity The Game”,  
aka  
“Paranormality”.

You need to understand that  
Information from Subliminet Inc. is Google proof.

You need to understand that  
Spaceways Unlimited is  
intellectual property infringement proof.

You need to understand that  
Paranormal Synchronicity Chains  
are inexorably relevantly relatable and inter-relatable  
with  
the MIPITW  
and  
the Central Themes of the PSCs  
and  
Spaceways Unlimited  
and  
Meditixation  
and  
Omneronautics  
and  
Omniphysics  
and  
the Omnipresent, metaphysically manifested,  
Unconscious Awareness of  
the Universe of Energy in Flow,  
the dualistically manifested Unus Mundus,  
as is each with the other,  
therefore,  
NO HOMO SAPIEN  
in the future history of all Homo Sapiens,  
the evolved descendants of all present day Homo Sapiens,  
will step into a Spaceway without understanding that  
each of these concepts  
are inexorably relevantly relatable and inter-relatable,  
each with the other,  
but nothing else and no more because,  
because an Omneronaut understands  
the subjectively unique experiences experienced while

safely and successfully enacting  
the Meditixiation technique  
for extended durations of both Time and Timelessness.

Why is all Information from Subliminet  
inexorably relatable and/or inter-relatable to  
Meditixiation within Spaceways Unlimited?,  
to Omneronautics?

Because

Mastery and Control

of

Meditixiation within Spaceways Unlimited  
allows the successfully practicing Homo Sapien  
to TRANSFORM into  
an Omneronaut,  
thereby allowing the transformed Omneronaut  
the opportunity to ACTUALLY DISCOVER  
what SUPERPOWER  
the successful Omneronaut is naturally capable of  
actually Mastering and Controlling.

You may or may not choose to familiarize yourself with the fact that  
INFORMATION FROM SUBLIMINET  
is the scientifically documented,  
statistically calculatable,  
scientifically analyzable,  
irrefutable, unquestionable,  
demonstrative PROOF  
of the actual occurrence of  
simultaneous synchronicities that are  
Extraordinarily if not Extra ordinarily Extraordinarily if not  
Magically if not Miraculously if not Paranormally  
relatable if not also inter-relatable to  
the intentionally unintentional orchestrations of  
the MIPITW,  
the intentionally unintentional orchestration of  
systems of energy in flow  
so that  
Extraordinary if not Extraordinarily Extraordinary if not  
Magical if not Miraculous if not Paranormal Events  
which are actually  
relatable if not also inter-relatable to  
the Information contained within a PSC  
actually do occur,  
but that will not prevent you from  
fulfilling the tasks in your written proposal

for funding to assist the MIPITW  
exponentially increase the value of  
Information from Subliminet  
while maximizing the generation of income for  
the entire Marketing Campaign team  
and any potential investors.

Subliminet Inc.'s original  
Quest For Relevancy  
was realized and cemented in Homo Sapien history,  
as PSC #3 was flowing to a conclusion.

The 4th Anniversary of  
New Age of Flow Day,  
122216,  
reset the MIPITW flowstream,  
as Vertigo knocked the MIPITW to the ground  
and reset the entire  
physical/metaphysical form of the MIPITW.

The 5th Anniversary of  
New Age of Flow Day,  
122217,  
is currently designed to become  
the first day of the one year long  
Sublimely Splendid  
Quest To Inaugurate Spaceways Unlimited  
Marketing Campaign.

The 6th Anniversary of  
New Age of Flow Day,  
122218,  
is currently designed to become  
the last day of the one year long  
Sublimely Splendid  
Quest To Inaugurate Spaceways Unlimited  
Marketing Campaign,  
but also the first day of  
a new flowstream,  
what could well become,  
Paranormal Synchronicity Chain #5.

The 7th Anniversary of  
New Age of Flow Day,  
122219,

Could alternatively become  
the last day of the one year long  
Sublimely Splendid  
Quest To Inaugurate Spaceways Unlimited  
Marketing Campaign.

Spaceways Unlimited  
isn't just another walk in the park,  
isn't just another walk along the beach,  
isn't just another walk in just another neighborhood,  
Spaceways Unlimited  
is a conduit to metaphysical unification with  
the Omnipresent, metaphysically manifested  
Unconsciously Dreaming Unconscious Awareness of  
the Universe of Energy in Flow,  
the Unus Mundus.

Predicting the future occurrence of  
relevantly relatable if not also inter-relatable  
simultaneous synchronicities  
is just some of what I have been able to accomplish.  
Proving the impossible possible.  
That which is impossible is that which cannot be foreseen,  
that which cannot be predicted.  
Physics cannot predict a metaphysical occurrence,  
a thought, a dream  
a conceptualization,  
just as physics could not predict the act of self-replication,  
molecular self-replication,  
the very first act of biology,  
the very first act of LIFE,  
the TRANSFORMATION from Physics and Chemistry into BIOLOGY.  
NOR CAN SCIENCE OR PHYSICS  
PREDICT OR FORESEE THE ACTUAL OCCURRENCE OF  
SIMULTANEOUS SYNCHRONICITIES.

Imagine NOT what you can accomplish,  
WISH NOT what you can accomplish,  
HOPE NOT for what you wish or pray for,  
DISCOVER, for yourself, what you can accomplish.  
Hope, is not an option.  
You CANNOT petition the Lord with PRAYER!"  
Mastery and Control.  
Mastery and Control of systems of energy in flow.  
Mastery and Control of systems of energy in flow

in ways never before imagined possible.

How does your personal history  
contextualize within the context of  
the time frames of  
Paranormal Synchronicity Chains #2, #3 and #4?  
Do have records or remembrances and recollections of  
your own personal past in these time frames?

June 6, 2015.

November 2, 2015.

April 3, 2016,

November 11, 2016.

April 2, 2017

And every day in between along the way?

Have you forgotten?

Every little occurrence?

Every little event?

Every little situation?

Ever watch a movie a second time  
and notice occurrences you didn't notice the first time through?

What about your own life?

Your own unique context?

Your own unique interactions?

What recollections will you retain  
after you have been invited and accepted and participated in  
a SÉANCE,  
a Séance designed to introduce  
as many of the prospective professional participants of  
Quest To Inaugurate Spaceways Unlimited as possible to  
the MIPITW and the Sublimely Splendid Marketing Campaign?

When will the Séance occur?

Where will the Séance occur?

How will the Séance occur?

Only your own active participation will reveal the answers.

Séance.

You are cordially invited to a Séance.

NOT a traditional pseudoscientific Séance,  
but an OMNISCIENTIFIC Séance.

An Omniscientific Séance is nothing like a pseudoscientific Séance.

This Omniscientific Séance is a  
ONE TIME ONLY event.

The GOAL of this Omniscientific Séance is to  
UNIFY the prospective  
Quest To Inaugurate Spaceways Unlimited Marketing Campaign participants  
into a single, famously unfamous marketing team.

This Omniscientific Séance is  
a SILENT Séance where NO WORDS are spoken.

Information will be uploaded.

Music will flow.

Videos will play and photos will appear.

This Séance is an artistic presentation.  
This Séance is a gratuitous introduction to  
a revolutionarily unique paradigm shift,  
the introduction of A NEW FRANCHISE-ABLE INDUSTRY,  
as well as a potential Convention Center CASH COW,  
for ANY Convention Center, ANYWHERE in the World,  
and an invitation to become a participant in  
a scientific experiment like no other,  
and a marketing campaign unlike any other,  
designed to generate  
INTEREST  
and  
INCOME  
far exceeding all others.  
Therefore this Séance is also  
an invitation to participate in  
an entrepreneurial endeavor  
to be exploited in any fashion possible.

Saturday?

February or March or April of 2018?  
Jacob K. Javits Convention Center?  
New York, New York.  
10001.

At the crossroads of  
not one, but two Miracles.  
In Hell's Kitchen.

Hors d'oeuvres will be served at 5:43 p.m..  
Information from Sublminet will be simultaneously uploaded  
for you to become subliminally familiarized  
and simultaneously synchronized with  
the proceedings of the Séance.

Dinner will be served at 7:17 p.m..

Your total silence is respectfully requested throughout  
because the success of this Omniphysical Séance requires it to be so.

At 8:18 p.m.

Document of Introduction  
will be distributed for a one hour reading,  
and then at 9:19 p.m.,  
discussion will commence.  
Questions will be asked.

Questions will be answered by your host  
The Most Interesting Person In The World  
Michael Sea.

Please arrive early and walk through the Convention Center,  
but you must do so SILENTLY.

Doors will open to the Crystal Palace entrance  
on 11th Avenue,  
sometime before 4 p.m..  
but please be advised,  
in order to protect  
the artistic and scientific sanctity of this  
Omniscientific Séance,  
you will not be permitted to leave the Convention Center  
until the Séance is over.

The consequence for leaving is the denial to return to the Séance.

And,

once again,

**YOU MUST ALWAYS REMAIN SILENT.**

Cough and sneeze and blow your nose or clear your throat if you must,  
but you must not speak a word to anyone.

Gesturing to an attendant is all that will be permitted.  
Look.  
Explore.  
Get an overall feel of the Convention Center.  
The halls.  
The floors.  
The height of the walls,  
The space beneath the ceilings.  
One person at a time in a restroom please.  
Attendant driven electric carts will be available to you.  
Write down your requests, please do not speak them aloud.  
You will of course be given pencil and paper.

You will be walking through a metal detector  
at 5:30 p.m..

You will also be checking your belongings,  
including all electronic gadgetry,  
so please travel light.  
They will be safely stored in soundproof luggage cases  
in the Séance Suite.  
You may inspect the Suite for recording devices.  
but you must do so SILENTLY.

The sanctity of this Séance,  
this Silent Séance,  
this Subliminal Séance,  
this Sublimely Splendid Séance,  
this Sublimely Splendid Subliminal and Silent Seance  
will depend upon, first and foremost,  
your attendance,  
your cooperation,  
and your understanding that  
MANY of those invited to this Séance  
have an ALREADY ESTABLISHED relevant relationship with  
Michael Sea  
and that the relevance of this relationship is,  
to some degree or another,  
a SYNCHRONIZED SIMULTANEITY.  
Therefore,  
it is not without some degree of PREORDAINMENT  
that this invitation should appear in your hands  
before your very eyes now.

Whether or not the preordained relevance of your participation  
is actually significant

will be the unavoidable backdrop to this Séance because,  
it is the very reason most of you have been chosen to receive  
this invitation to a once in a lifetime event,  
which will not be recorded,  
by any one, in any way,  
visually or audibly,  
as it gradually unfolds.

This is an event that will stand alone  
in the unconscious memories of each of the participants,  
stored within the context of the unique point of view of  
each of the participants,  
but stored also,  
simultaneously,  
within the context of  
the SOURCE of  
the metaphysically manifested energy that will flow  
throughout each of the Séance participants,  
the Omnipresent Unconscious Awareness of  
the Universe of Energy in Flow,  
the Carl Gustav Jung and Wolfgang Pauli  
collaboratively identified  
Unus Mundus.

Thank You for Your response,

Michael Sea insignia.
