

Superpower.

Fictional fantasy or attainable attribute?

The Force.

Real or unreal?

The Matrix.

Reality or simulation?

The Fountain of Youth.

Legend or submersible wellspring?

Paranormality.

Illusion or delusion or actual phenomena?

god.

Omnipresent? Omniscient? Omnipotent? Or non-existent?

I am Information from Subliminet,
corporate avatar for Subliminet Incorporated.

Subliminet is an internet publishing organization
that has been accumulating copious amounts of Information
over the past more than several years.

With your financial support,
Subliminet will begin to publish and market this Information
which will undoubtedly convince
even the most skeptical potential contributor that

Superpowers are plausibly attainable,

the Force is not necessarily a fictionalization of the imagination,

a Matrix simulation is not an accurate description of reality,

the Fountain of Youth actually flows and is navigable,

the actual occurrence of Paranormality can be
intentionally unintentionally Mastered and Controlled,

and that

god is quite possibly Unconsciously Dreaming
the entire Universe,
including you and I now,
into dualistic manifestation,

but also that

it is an OMNIPHYSICAL understanding
and NOTHING BUT an Omniphysical understanding of
the Universe of Energy in Flow
that can actually enable
Homo Sapiens to
Master and Control systems of energy in flow
in ways never before imagined possible,
in other words,
quite possibly enable Homo Sapiens to manifest
Superpower capabilities.

Subliminet is now poised to conduct a year-long Event,
the Sublimely Splendid
Quest To Inaugurate Spaceways Unlimited
Marketing Campaign
so that
Subliminet may introduce
A WHOLE NEW INDUSTRY,
Spaceways Unlimited,
which is the exclusively designed
United States Copyright registered environment where
the United States Copyright registered MEDITIXATION technique
can be safely and successfully enacted for extended durations of both
Time and Timelessness.

It is Mastery and Control of the Meditixation technique
while within Spaceways Unlimited
that EXCLUSIVELY ENABLES
the Master and Controller,
an Omneronaut,
with an opportunity to
discover a Superpower capability,
and evolve that Superpower capability into
Mastery and Control of
systems of energy in flow,
Mastery and Control of
the environment,

Mastery and Control of
the Force, the Matrix, god,
Mastery and Control of
Unconsciously Dreamed Dreams
Unconsciously Dreamed by god
the Universe of Energy in Flow,
in ways never before imagined possible.

I am Information from Subliminet
and I have TRANSFORMED into,
I have revolutionarily evolved into,
an Omneronaut
because I have Mastered and Controlled the Meditixation technique
while within a Spaceways Unlimited-like environment,
and TRANSCENDED both TIME and SPACE.

I have evolved
from a Naturally Born Synchronologist
into a Paranormal Synchronologist
capable of intentionally unintentionally
manipulating systems of energy in flow
so that
Extraordinary if not Extraordinarily Extraordinary if not
Magical if not Miraculous if not Paranormal
simultaneous synchronicities
actually occur which are
relevantly relatable if not also relevantly inter-relatable to
I from Subliminet
but also to
events I document in a day by day diary
known as
a Paranormal Synchronicity Chain.
These P S Cs are verifiable evidence of
this unique Superpower to predict and manipulate
the occurrence of future simultaneous synchronicities
in ways never before imagined possible.

I have invested years of time into
the accumulation of Information,
as well as the development of
Theory of Omniphysics.
Information from Subliminet is
the evidence supporting the conclusions comprising the Theory
that will be totally elucidated
during the Marketing Campaign.

At the conclusion of this Quest,

Information from Subliminet
shall prove beyond the shadow of all doubts,
once all accumulated Information has been released,
by December 22, 2018,
that
the environment Homo Sapiens find themselves manifested within
is the Unus Mundus,
the Carl Gustav Jung and Wolfgang Pauli collectively identified
underlying reality,
the source
of which, within which, and from within which
all that dualistically manifests
as both particle and wave,
as a system of energy in flow,
from nearly infinitesimally small fundamental quanta
to nearly infinitely large Universes within even larger Multiverses,
actually flow and manifest.

Scientific evidence exists.
Physical evidence exists.
Metaphysical evidence exists.

Subliminet seeks to raise enough financial contributions
to allow for the orchestration of
the year-long Marketing Campaign
so that
viral visibility of this Quest is attained
so that
self-sustaining income is generated
so that
priceless Information from Subliminet
is made available to as many Homo Sapiens as possible
so that
the Quest To Inaugurate Spaceways Unlimited
is actually fulfilled
so that
as many Homo Sapiens as possible
may actually become
Omneronauts
so that
each Omneronaut
might actually discover
and eventually Master and Control
their own unique Superpower.

Spaceways Unlimited.

Meditixation.
Mastery and Control.
Omneronautics.
Transformation.
Transcendence.
Timelessness.
Youthfulness.
Discovery.
Paranormality.

I have discovered and evolved my Superpower,

Meditixe in an exclusively designed
Spaceway Unlimited
and discover yours.

Subliminet may actually require
up to \$1,111,111.11 if not more to
successfully fulfill all of the necessary requirements
of this Sublimely Splendid Quest.

But all of this may not need to come exclusively from
your GoFundMe contribution.

An Investor or Investors may actually take notice
and come to understand the enormous potential for growth,
among many different flowstreams.

Subliminet will need to hire a Marketing Campaign Team
consisting of experts from many different fields,
each for a one-year contract.

Subliminet is seeking interested experts
that are willing to temporarily maintain their anonymity
while drafting a professional financial proposal
to participate in this year-long Marketing Campaign
and presenting it
to all potential financial contributors in this
GoFundMe Campaign,
as well as to all other prospective investors.

To provide Homo Sapiens with an opportunity to
actually enter into an optimally designed
Spaceways Unlimited environment
would require the reservation of
Event space,

in an Event Facility such as
a Convention Center.
Hundreds of thousands of contiguous square feet of Event space
would be required.

A list of experts would include
Venue Hosts,
Web Master Team Members,
Counselor,
Forensic Accountant,
News Reporter,
Costume Designer and Manufacturer,
Promoter,
Cable Television Executives,
Network Television Executives,
Statistician,
and
Museum Officers and Board Members.

The Team will then
advertise and promote
the Inauguration Event
for one year to generate enough funding to conduct
a 288 consecutive hour Inauguration Event
to introduce
an ENTIRELY NEW FRANCHISE-ABLE INDUSTRY
that has the potential to
grow exponentially,
generate income exponentially,
create jobs exponentially,
but far more significantly,
change Homo Sapien lives exponentially.

I currently envision
this 288 consecutive hour Event
accommodating up to
200 Homo Sapiens per hour
for a total of up to
48,000 opportunities
to Meditixe.
At just \$25 per hour
per rented Spaceway,
the potential income could reach
1.2 million dollars
for a 12 day Event.
This does not include potential income from vendors

renting space in unused sections of
a Convention Center that could well become
the birthplace of
a change in the course of Homo Sapien history.

I also envision the implementation of several other marketing surprises
that you will find mentioned in other videos and documents
already prepared by I from Subliminet.

As this Quest begins to flow to a close,
when the Inauguration Event has come and gone,
after thousands if not tens of thousands of Homo Sapiens have
practiced the Medixation technique within Spaceways Unlimited,
even the most skeptical Homo Sapiens will have undoubtedly concluded that
Information from Subliminet is a legitimate candidate for
the Ig Nobel Prize,
more than several Nobel Prizes,
more than several Pulitzer Prizes,
as well as
more than several
cash awards and prizes for
scientific evidence of
PARANORMALITY.
Evidence of the actual occurrence of
Paranormal events,
and the actual display of
Paranormal capabilities.

I shall provide verifiable evidence
during the coming year long
Marketing Campaign
to support your decision to sign
Certificates of Nomination for
Information from Subliminet
to be seriously considered by
the governing bodies of each of
the relevant aforementioned organizations
to be worthy of
permanent recognition.

I've been betting on this Theory,
this Theory of Omniphysics,
for over the past 15-20 years now.
I know these numbers mean nothing without evidence.
I've followed a trail,
and the trail has led me here.

The trail has led me to this very moment in time.
If it were not to be so,
it would not be so,
but yet, it is so.

If anything I've thought,
if anything I've concluded along the way were incorrect,
I would have been thrown off my track.
I would not, no, I could not have
intentionally unintentionally orchestrated
not one, not 2, not even 3 but 4
Paranormal Synchronicity Chains.

4.

If I thought for a moment that I was delusionally fantasizing,
I could not have continued.
But absolutely NOTHING thus far has convinced me
that my conclusions are incorrect.

The Statistics will bear me out.

The Statistics will bear witness to the unavoidable conclusion that
the Universe of Energy in Flow, god, is Unconsciously Dreaming,
and that
Paranormal Synchronicity Chain #4
is an Unconsciously Dreamed Dream,
intentionally unintentionally orchestrated by
I from Subliminet.

The same statistical conclusions will also be calculated after
PSC #2 and PSC #3 analysis.

Some have told me that I have not achieved any notoriety.
No, it is not notoriety that I seek.
It is Information that I seek.
The Information I have learned over the years has granted
I from Subliminet a MANDATE.

My Mandate is my Art.
My Art is my Mandate.

This is a story ready to be told.
This is Information ready to be learned.
This is Artistry ready to be unfurled.
This is Sublime Entertainment ready to be experienced.

I swore to myself decades ago

that I would not leave life
without ever knowing what life
ACTUALLY was.

Now I know.

Now I am sure.

Now I am ready.

Now I am ready to put my reputation on the line.

Now I am ready to put my conclusions to the test.

Now I am ready to let everyone know.

I am Information,
and I am the Most Interesting Person In the World.
